

**Physics Is All Around You:**  
**For ages 3-5**

**with Dr. Gunjan Raizada Chakravarty,  
PH. D Physics**

Using movement, counting and color, Dr. G will engage young children in actively experiencing the principle of conservation of energy: "energy cannot be created or destroyed, although it can be changed from one form to another".

**FREE PROGRAM**

**Who:** Children entering **Kindergarten in 2011 or 2012**

**When:** Thursday, June 23, 2011 10:15-11:00 a.m.

**Where:** Mountain View Library Community Room

***Note:*** *Limited to 25 children and one parent/caregiver for each child*

Dr. G. says, " I love sharing my joy in the Physics happening all around us. While teaching at San Jose State, I realized that my passion is to sow the seed of inquisitiveness in children so that they blossom into lifelong learners."
